Lunch/Dinner Pre-Orders

Thank you for choosing Egypt Mill. In order to serve large tables as quickly as possible we ask that you pre-order your meal. Please use the grid below and we can then also remind those who may have forgotten their choice!! Should you have any special requirements or dietary needs, please do not hesitate to ask and we will do our best to help.

When ordering steaks, please remember to state how you would like them cooked and if you would like a sauce. When ordering Flatbreads please specify which one on the menu.

As we take other tables around your dining time please note that if your party is significantly late we may have to serve other guests in advance of your order.
